
Leica Confocal

introduction to confocal laser scanning microscopy (leica) - introduction to confocal laser scanning microscopy (leica) this presentation has been put together as a common effort of urs ziegler, anne greet bittermann, mathias hoechli. many pages are copied from internet web pages or from presentations given by leica, zeiss and other companies. please browse the internet to learn interactively all about ... **leica tcs spe - leica microsystems** - leica tcs spe - simply sophisticated many exciting discoveries begin with a confocal from leica microsystems. here is one to start with - the leica tcs spe. providing all the features needed for routine confocal techniques, it offers excellent quality imaging at an affordable price. high fidelity spectral imaging **leica sp5 laser scanning confocal microscope training session** - confocal microscopes a laser scanning confocal microscope (lsm, lscm, confocal) works by raster scanning a point of laser excitation across the sample (using two mirrors to translate the laser beam in x & y), and recording the number of emitted photons at each point by means of a photomultiplier tube. at any one position (the pixel **the leica confocal system -
