
Lived Experience Improvisation Music Learning Life

the lived experience of improvisation: in music, learning ... - improvisation, as a capability, is the focus and the exploration of the lived experience of improvisation in music forms a case study for the broader experience. the question of theory's relation to the practice of improvisation becomes central to the book's themes and the intention **playing projects: identifying flow in the 'lived experience'** - playing projects: identifying flow in the 'lived experience' van der hoorn, bronte (in press- 2015) international journal of project management ! page 4 of 29! extant commentary suggests that much of the prevalent project research and 'best practice' methods are underpinned by positivism (bredillet, 2004, pollack, **the role of improvisation and imagination in accessing ...** - the role of improvisation and imagination in accessing body-based ways of knowing gretchen wegner ... improvisation is, most simply stated, the process of making things up on the spot using only ... from lived experience. during the creation myth assignment, in the span of one minute, students' **a phenomenological analysis of nordoff-robbins approach to ...** - a phenomenological analysis of nordoff-robbins approach to music therapy: the lived experience of clinical improvisation ... get an overall sense of the lived experience of clinical improvisation ... **improvisation, music and learning: an interpretive ...** - improvisation as a parallel because what i'm striving for is to be able to create spontaneous composition. and i think that this helps me know how composition works and then you can apply these principles during an improvisation if you look around at the great composers, **the complexity of improvisation and the improvisation of ...** - between improvisation and the lived experience of complexity, and that improvisation and creativity are capacities we would do well to develop in an increasingly unpredictable, complex, and at times chaotic existence. the writing style of this article is unusual for some academic publications, as it incorporates first-person narratives. **guess, check and fix: a phenomenology of improvisation in ...** - the improvisation and the self is dynamic and self-structuring—constituting style through the continuity of experience. improvisation is sur-render, indeed 'creative blocks are the price of avoidingsurrender'(141)provisationcentra-lizes spontaneity and lack of forethought, pro-motes spur of the moment decisions and is **the accidental curricularist: the building of a dance ...** - through intersecting worlds of artistic practice, improvisation, lived experience and context. these worlds were organized and explored through themes of gender, emotion, longing and intersections and examined through lenses of critical theory, aesthetics and currere. it examines the interior dialogue within one **fashion design: the connective role of improvisation in ...** - condition', improvisation provides a site for the most fruitful kind of interdisciplinarity that is underpinned by complexities [14]. improvisation is linked to concepts of self-organization, uncertainty and adaptation, which guide and shape lived experiences [14]. **a phenomenological study on music therapists treating ...** - improvisation was recorded and analyzed as a part of this study. this artistic inquiry component was added in order to add yet another dimension to the verbal interview data. since music therapists use music as their primary medium in their work, it seemed appropriate and an interesting way to research the lived experience of the **aumi-futurism: the elsewhere and elsewhere of (un)rolling ...** - improvisation and performance as "lived experience" (2009, p. 2). this knowledge benefits the entire community's search for more responsive and flexible artistic, as well as community, practices. political scientist susan bickford writes that in any group, democratic listening requires that all listen and all are heard (bickford, 1996, p. 2). **dance in physical education: experiences in dance as ...** - i investigate the phenomenon of improvisation in dance both in theory and as lived experience. the here discussed section of the project involved student teachers who were taught dance by the researcher as part of the dance cur-riculum in physical education teacher education (pete). the project was underpinned by the question "what kind **background - ulir home** - overall self-experience in improvisation rather than within an explicit musical interaction or among a specifically trained cohort. this train of exploration was chosen to encourage therapists' reflection of their conscious lived experience of improvisation in music therapy through individual interviews which were appropriate **co-working in live supervision: improvisations for ...** - co-working in live supervision: improvisations for transformative learning jeanette neden and gail bradbury in this article, we outline an improvisation in live supervision that we have used on a ... **accumulated response in live improvised dance performance** - dance improvisation is a decidedly ephemeral art form yet the experience of it remains present in the body. though difficult to measure, the memory, awareness and resonance of lived experience remain as traces in the body, which, i believe, become evident in the moment of performance. this 'aliveness' in dance
